

FIRE SERVICE SUPPORT UNIT- Box 54 Fire Service Support Unit, founded in 1952 and staffed entirely by volunteers, is a canteen/communications fire ground support service consisting of four vehicles. The four vehicles, two GMC Step-Vans, a 1994 Recreational Vehicle and a 1985 Dodge Ram, are maintained, licensed and insured by the Township, and housed at Fire Headquarters and Fire Station 2.

The two GMC vans are equipped with two-25 gallon (hot and cold) water tanks, propane fired stoves, oven coffee urns, barbecue serving equipment, etc. The Recreation Vehicle is used for rehabilitation at major incidents and the Dodge Ram is used to ferry supplies and personnel.

Two freezers and refrigeration units, at Fire Headquarters, contain enough food provisions to feed 200 people and includes Kosher food items. Funding of supplies is from donation made by Teaneck and other Fire Departments. Please call 201-837-2084 for further information about joining or contributing funds or supplies or contact them at <http://www.box54.org>.
